

The top section of the page features the 'Fund Channel' logo in the upper left corner. The logo consists of the word 'Fund' in white and 'Channel' in a light blue color, both in a bold, sans-serif font. The background of the entire top section is a dark blue gradient. Overlaid on this background is a large, abstract graphic that resembles a digital signal or data flow. It consists of numerous small, colored dots (white, light blue, and orange) arranged in a series of concentric, wavy lines that create a sense of depth and movement, converging towards a bright light source in the center.

1. SUBJECT

In accordance with Article 3 (3) of Delegated Regulation 2017/576 of 08/06/2016 on the annual publication of information on the identity of execution platforms and the quality of execution, FUND CHANNEL S.A. as an Investment Company is required to publish annually, for each asset class, the ranking of its top five counterparties together with an analysis of the quality of execution obtained during the previous financial year.

The classification of financial instruments presented below is taken from Appendix I of the Delegated Regulation 2017/576 of 08/06/2016

2. CONTEXT

The Markets in Financial Instruments Directive (MiFID Directive 2014/65 / EU) and the MiFIR Regulation aim to revise the MiFID 1 Directive taking into consideration the new developments of the financial markets. The regime is primarily aimed at improving security, transparency and strengthening investors' protection.

Regulatory Reference:

- Directive MIFID 2 N°2014/65 / EU of the European Parliament and the Council of 15/05/14, Art. 24 (1) and 27
- Delegated Regulation N°2017/576 of 08/06/2016 supplementing the Directive by regulatory technical standards concerning markets for financial instruments.

3. SUMMARY

FUND CHANNEL S.A. transmits its orders directly to its counterparties, or executes them by placing in competition several potential counterparties. The orders are directed according to the best execution conditions offered, either to the Regulated Markets (MR), Swaps Execution Facilities (SEF), Multilateral Trading Systems (MTF), Organized Trading Systems (OTS), Systematic Internalisers (SI), or any counterparty offering the best quote likely to provide in a bilateral framework (OTC). FUND CHANNEL S.A. is not member of any market and therefore any conflict of interest in the use of the execution platforms is nullified.

FUND CHANNEL S.A. promotes the integrity of the market without one category of client being favoured over another in the event of execution of the same meaning on the same financial instrument on the same day, taking into account the criteria set out in its Selection Policy and Execution such as price, liquidity, speed, cost, etc according to their relative importance according to the different types of orders transmitted by the client.

For intermediaries or counterparties acting through various legal entities according to the instruments or jurisdictions, the tables present aggregated data.

To transmit its orders to its intermediaries, FUND CHANNEL S.A. uses the services of AMUNDI INTERMEDIATION, who complies each year and reciprocally to publication of its own annual report on the top 5 counterparties/execution venues and execution quality on its website.
